

## **Single Feasible Source Purchase**

Title: PerkinElmer Equipment Rental, Reagents and Kits

Description: The Missouri Department of Health and Senior Services, State Public Health Laboratory (SPHL) desires to obtain newborn screening equipment via a bailment/rental agreement, as well as purchase reagents and kits for this equipment. A single feasible source contract with PerkinElmer Inc. is requested since they are the sole vendor who can provide the entire array of FDA-cleared reagent kits, testing platforms, required supporting equipment and the necessary maintenance, service and repair of the existing equipment located at the SPHL.

Contract Period: March 14, 2015 through March 13, 2016
